GRIC Dashboard – If the application procedure is completed successfully GRIC members have direct access and influence on the governance of this financial alliance. Online members can log in to their personalized dashboard that allows direct action and participation in this radical democracy.

GRIC satellite flags – The GRIC alliance is represented through p2p satellite networks. The satellite takes over the role of the flag, and since the governance is crowd-sourced the flags are in a state of flux

GRIC Citizen news feed – Speed, global consciousness

GRIC poster series – Announcing Gric in public space, the posters represent both the information architecture as well as its financial architecture.

GRIC poster series – Announcing Gric in public space, the posters represent both the information architecture as well as its financial architecture.

GRIC multipass – Passport, social security, bank card, drivers licence in one. Digitally connected to the GRIC dash-board for updates.
