*Because i like to
express myself,
doesn't matter if
people think it's
"too much"*

people have
passions, things
that take their
minds off their
daily routine and
inspire them to
be better every
day

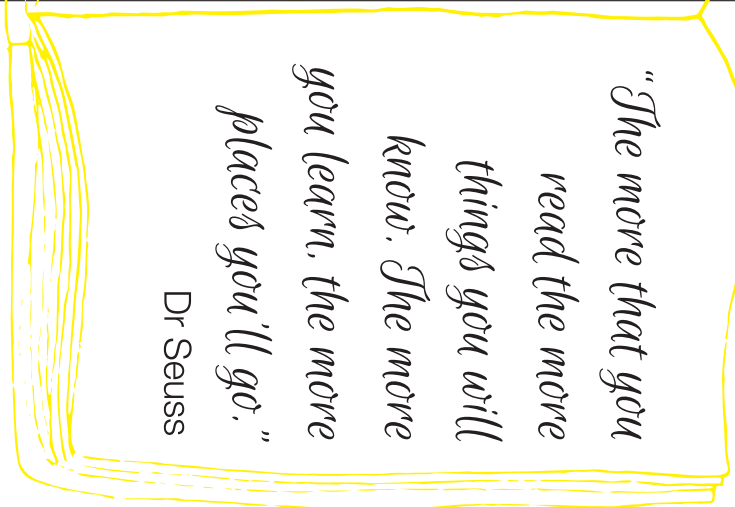

**I wear it
for myself**

Each time is a new challenge, and
getting it finally done is the reward

There's
something about
an endless
expanse out
there that makes
you feel a little
anxious, but it's a
good feeling.

*"The more that you
read the more
things you will
know. The more
you learn, the more
places you'll go."*
