

WHEELCHAIR ACCESSABILITY

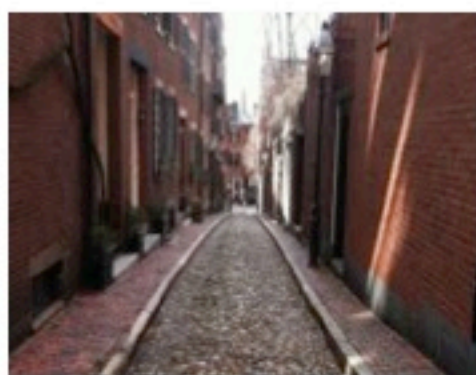

A meeting between Swinburne University Disability Services and OH&S team was held to discuss accessibility for incapacitated students with regard to the current and future plans and to ensure students who require these services have safe and easy access to all buildings and facilities. Some of the features discussed are highlighted below.

REDUCING BARRIERS

Access to lifts

Access to roads

Clear pathways and footpaths

ENSURE ACCESSIBILITY TO ALL FACILITIES

Free movement in library

Ramps to buildings

Seating in lecture rooms

ENSURE THE WIDER COMMUNITY IS AWARE WITH PROPER SIGNAGE

Swinburne Disability Services Management ensures that accessibility as per Australian Standards is adopted in all buildings and campuses. Students and visitors should go to Student HQ/Disability Services to seek assistance.
